PanTerra's WorldSmart Unified Cloud IT Service Awarded TMC Net Unified Communications Excellence 2012

SUNNYVALE, CA, December 6, 2012 -- PanTerra Networks (www.panterranetworks.com), the leading provider of Unified Cloud IT Service solutions for mid market enterprises, announced today that TMCnet.com, a global, integrated marketing company, has named WorldSmart as the recipient of its 2012 Unified Communications Excellence Award. The Unified Communications Excellence Award, sponsored by TMC's INTERNET TELEPHONY magazine, honors products that demonstrate innovation, distinctive features and major contributions toward improving technology in unified communications.

"We are pleased to grant a 2012 Unified Communications Excellence Award to PanTerra Networks for WorldSmart," said Rich Tehrani, CEO, TMC. "Congratulations to the entire team at PanTerra and we look forward to future innovations."

"PanTerra Networks continues to innovate and offer the highest level of unified cloud IT services to mid market enterprises. With the launch of our newest service, ConnectMeSM with HD video, collaboration and conferencing, our charter to increase company productivity is further extended," said Arthur Chang, President and CEO of PanTerra Networks. "PanTerra has big plans for 2013 as we prepare to roll out innovative cloud mobility and storage solutions to complement and enhance our award winning unified communications services."

About PanTerra Networks

PanTerra Networks, Inc. is the premier service provider of unified cloud IT services serving mid market enterprises. WorldSmart unified cloud IT solutions include unified communications, storage and mobility services delivered as a fully managed solution under the brand SentraCloud, or self-managed that can be administered by the customer, third party partner or both. PanTerra services are sold direct, through indirect channels and as a private branded wholesale solution. Visit the company's website at www.panterranetworks.com.
